

TO-220

**TO-252
(DPAK)**

Pin Definition:

1. Input
2. Ground (tab)
3. Output

General Description

The TS78M00 Series positive voltage regulators are identical to the popular TS7800 Series devices, except that they are specified for only half the output current. Like the TS7800 devices, the TS78M00 Series 3-Terminal regulators are intended for local, on-card voltage regulation.

Internal current limiting, thermal shutdown circuitry and safe-area compensation for the internal pass transistor combine to make these devices remarkably rugged under most operating conditions. Maximum output current with adequate heatsink is 500mA

Features

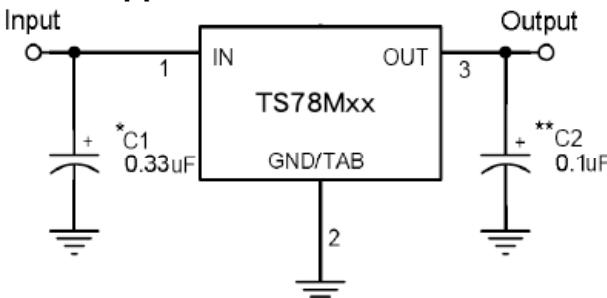

- Output Voltage Range 5 to 24V
- Output current up to 500mA
- No external components required
- Internal thermal overload protection
- Internal short-circuit current limiting
- Output transistor safe-area compensation
- Output voltage offered in 4% tolerance

Ordering Information

| Part No. | Package | Packing |
|--------------|---------|--------------------|
| TS78MxxCZ C0 | TO-220 | 50pcs / Tube |
| TS78MxxCP RO | TO-252 | 2.5Kpcs / 13" Reel |

Note: Where xx denote voltage option

Standard Application Circuit

A common ground is required between the input and the output voltages. The input voltage must remain typically 2.0V above the output voltage even during the low point on the Input ripple voltage.

XX = these two digits of the type number indicate voltage.

* = Cin is required if regulator is located an appreciable distance from power supply filter.

** = Co is not needed for stability; however, it does improve transient response.

Absolute Maximum Rating ($T_a = 25^\circ\text{C}$ unless otherwise noted)

| Parameter | Symbol | Limit | Unit |
|--------------------------------|---------------|------------------|------|
| Input Voltage | V_{IN}^* | 35 | V |
| Input Voltage | V_{IN}^{**} | 40 | V |
| Power Dissipation | P_D | Internal Limited | W |
| Operating Junction Temperature | T_J | 0~+125 | °C |
| Storage Temperature Range | T_{STG} | -65~+150 | °C |

Note: * TS78M05 to TS78M18

** TS78M24
