

DM6000 68 Position (Wide)

| Part Number | Circuit |
|-------------------|--|
| DM6000 - 01 - 68D | = Differential |
| 02 - 68 | = Single-Ended, Passive |
| 02 - 68R | = Single-Ended, Active |
| 02 - 68ADR | = Single-Ended, Active Deassertion |
| 6868 - F40 | = Single-Ended, FAST 40 |
| 6868 - F40SK | = Single-Ended, Active with SLICK Circuit, FAST 40 |

Note: All terminators are, 68 Position Male, .050", to 68 Position Female, .050", with 2-56 Thumbscrews.

Specifications

Contact Material:

Phosphor bronze, plated gold over nickel

Insulator Material:

Reinforced thermoplastic, rated UL 94V-0

Housing Material:

ABS thermoplastic, plated copper, nickel, chrome

Printed Circuit Board:

FLGFN B2B MIL-P-13949, rated UL 94V-0

Thumbscrews:

Lead alloy, nickel plated with thermoplastic cap
